ART 58 MINUTEMAN FEASIBILITY STUDY: Tosti discussed the 3 options and possible stipulations (provided by email & hard copy) for a reconsidered FinCom vote.

Foskett offered 7 additional stipulations. Our hope is the stipulations would change the way the regional school operates and reduce the cost of district member tuitions. After a general discussion, Tosti took a straw vote on whether members favored supporting the feasibility study with stipulations or not supporting the feasibility study until the stipulations were satisfied. A majority supported the latter option. Tosti appointed an ad hoc committee to craft a vote consisting of Tosti, Jones, Phelps, DeCoursey, and Dunn. The goal is to vote on Monday & postpone Town Meeting action as necessary.
